

Cloud

Landlords App Stacks

Helping you manage
your information

Structure an accounting package that works for you. Whether you manage a small or large portfolio, residential or commercial, MT Cloud can assist you to get the most from the cloud.

What apps could help me?

- **Payments** – Private renting or managing payments? Set up and track Direct Debits easily and quickly.
- **Bills and expenses** – Convert your receipts and invoices effortlessly into data.
- **Project the future** – Understand which properties work and which don't with reporting. Understand your cashflow at the touch of a button.

These sound great, where do I begin?

- Arrange a discovery meeting with one of the MT Cloud team. Here we can demonstrate the potential options and discuss you and your ideal business model.

Quick and easy to manage Direct Debits at the touch of a button

- Link Direct Debits with your accountancy software and seamlessly track any missed payments.

GOCARDLESS

Global leader in recurring bank-to-bank payments such as Direct Debits, ACH and PAD. Allows you to automatically collect pre-authorised payments straight from your tenant's bank.

Save time, less bookkeeping with a data processing app

- Photo and upload receipts directly to your accountancy software.

ReceiptBank™

Reduce time spent inputting bills and expenses. Simply scan, photo or forward an email.

Hubdoc A XERO PRODUCT

Reduces data entry by accurately capturing information from bills and receipts and publishing it to Xero; making it easy to match transactions to the Xero bank feed.

Reports and forecasts

Little work required, massive amount of information given

- Get beautiful insights into your business with advanced reporting tools.

Fluidly

Defining the new category of intelligent cashflow.

 **FUTRLI**

Award-winning app. Cashflow forecasting and reporting software for businesses and advisers.

 **float**

Get a real time view of your cashflow, scenario plan for the “what-ifs” and make more confident decisions about the future of your business.

Help us, help you - pick a cloud package that suits your needs.
