Retail App Stacks

New or existing retail business –
revolutionise your systems!

Whether you're looking to open a new shop or you're currently running an existing one, cloud packages and apps can help you run your business smart and more cost-effective.

What types of apps could help me?

- **Payment Services** – Build a cost-effective, professional till system. Have the ability to take money in a large variety of options.
- **Stock** – Track stock and make well timed, informed decisions.
- **CRM** – Enhance your marketing by keeping customers updated with your latest offers.
- **Automated Expenses** – Process purchases quickly and store using the cloud.

How much do they cost?

- Costs range depending on your budget and requirements.
- It is important to understand all the value apps can bring, not just the cost.
- Discuss options with an MT Cloud guru in a discovery meeting.

Do I need teaching?

- One of our dedicated MT Cloud App Teachers will provide training on the majority of options discussed. For some bespoke packages the app provider will train you, along with a member of our team – to enhance knowledge and to allow us to provide support in the future, if you ever require it.

Reduce time on your accounts and ease any problematic areas with tools built for the job.

Get paid faster, easier and on-the-go with a dedicated point of sale app

- Integrate your EPOS system directly with your cloud accounting software.
- Offer the ability to take all forms of payments.
- Even take your till system with you to events.

The Vend logo consists of the word "vend" in a white, lowercase, sans-serif font, enclosed within a white speech bubble shape that points to the right. This logo is set against a green background that has a diagonal cut-off on its right side.

Vend powers the world's best retail experience. Easy to learn, hard to live without.

The iZettle logo features a white circle containing a stylized letter 'Z', followed by the word "iZettle" in a white, lowercase, sans-serif font. The logo is positioned on a dark blue background with a diagonal cut-off on its right side.

iZettle is the leading small business commerce platform in Europe – enabling business to take payments, manage sales, inventory and staff.

The Square logo shows a white square icon with a smaller square inside, followed by the word "Square" in a white, lowercase, sans-serif font. The logo is set against a dark grey background with a diagonal cut-off on its right side.

Run your business with a point of sale which is simple and powerful.

Save time, less bookkeeping with an app that assists with data processing

- Photo and upload purchases directly to your accountancy software.
- Reduce paperwork storage by keeping it in the cloud.

The ReceiptBank logo features a white icon of a receipt with a checkmark, followed by the word "ReceiptBank" in a white, sans-serif font. The logo is on an orange background with a diagonal cut-off on its right side.

Reduce time spent inputting bills and expenses. Simply scan, photo or forward an email.

The Hubdoc logo shows a white icon of a document with a checkmark, followed by the word "Hubdoc" in a white, sans-serif font. Below "Hubdoc" is the text "A XERO PRODUCT" in a smaller, white, uppercase font. The logo is on a blue background with a diagonal cut-off on its right side.

Cost-effective way of reducing time spent on bookkeeping.

Stock takes no longer last a lifetime with an inventory app

- Link your inventory system with your sales and purchases to have a real time understanding of your stock.
- Save time completing annual stock takes with figures you can trust.

UNLEASHED
