Accounting and Tax Services  
for Small Business

Small Business Solutions

Your very own *Business Team...*

## Why choose MT Small Business Solutions?

MT Small Business Solutions is a friendly and approachable team with many years' experience of working with small businesses just like yours.

We deliver an accurate, reliable and efficient service, focusing on prompt turnaround and value-for-money fees – everything is discussed so there will be no surprises.

We place great emphasis on the training of our team as the key to quality, and we have a strong reputation for reliable and understanding advice.

**Our friendly and professional team strive to provide a competitive and quality value-for-money service in everything we do.**

## Is my business too small for MT Small Business Solutions?

Many of MT's clients are small businesses in the communities surrounding our offices. We have a wide range of local experience, and **people come to us because of our reputation for quality which gives them peace of mind.**

We know that accounts and tax are complex issues and can be a chore, so we deal with them for you and let you know what you need to do and when, guiding you through the whole process.

**We give you peace of mind and deal with the regulations so that you can concentrate on your business.**

## Do you deliver value for money?

Our whole service is tailored to suit your needs and budget. We are competitive and fair with our fees and will always clarify what our fees include.

We also offer flexible payment options, allowing you to pay our account monthly by standing order, which can really help with cash flow.

**No surprises - you know what you are paying for.**

## Who will I be dealing with?

You will have one main contact with back-up support. The team will understand they have a duty of care towards you and will always respond to your telephone calls and emails with the information you need.

We would be delighted if you would meet the team and establish a trusting relationship with our professionals.

**One main contact with the support of a multi-disciplined team.**

## What do I do now?

It's never too early or too late to get advice.

We can assist you with either setting up your records or in sorting them out.

We are very flexible and can fit in with your requirements.

**Call us now to arrange a free consultation.**

## Our portfolio of clients

Our accountancy skills have helped start-ups, sole traders, partnerships and limited companies grow their businesses.

Key sectors that have benefited from, and feel protected by, the services we provide include:

- ◆ Agricultural & Horticultural
- ◆ Professional Services
- ◆ Construction Industry
- ◆ IT Training
- ◆ Property Developers
- ◆ Manufacturing & Engineering
- ◆ Wholesale, Retail & Leisure
- ◆ Transport

...and many other industries and professions.

**Your business is important to us.**

**We can help you look after it and make it grow in the right direction.**
